Immunization/Medical Record Information

[MAIN PAGE](#) | [Pre-Arrival Checklist \(Fall\): Pittsburgh - Business Administration](#)

*****APPROVED STATUS *****

Your submission has been approved. If you need to submit a new request click the "New" button at the bottom of the page.

(* *Information Required*)

Medical Record Requirments

At the University of Pittsburgh, there are **no medical record requirements for students.**

Immunization Requirements

All incoming students must be immunized against the following communicable diseases:

- Measles
- Mumps
- Rubella
- Varicella
- Meningitis (*Students living in University Housing, only.*)

Proof of immunization *must* be provided to [Student Health Services](#) upon your arrival in the U.S. **Failure to submit proof of immunization will result in a hold placed on your university account.**

[Click here](#) for information on how to submit proof of immunization.

Questions about this form should be directed to [Student Health Services](#).

COVID-19 Immunization Information

We encourage members of the Pitt community to get vaccinated against COVID-19 as soon as possible. Getting vaccinated is an important step to ending this pandemic. However, the University of Pittsburgh **WILL NOT** require students to present evidence of a COVID vaccination in order to attend their on campus academic program in fall 2021.

I have read and understand this message. *
